Highlights of Trip

Very peaceful location to spend time with great

friends from a career of military service. The outfitter was flexible once they got to know our group and very enjoyable to work with to get the group some gunfire. I think everyone shot at least one hog or two.

Additional Comments?

Thanks for the opportunity we loved the atmosphere of friends and family. The food was awesome and not a bunch of frozen packaged stoufer meals and they always had healthy options.

Our crew hasnt been together in 5yrs so it was such a chill place to sit down and relax and send 500 rounds down the rifle range or smoke cigars and have a beverage.

Jeff and team were always excited to get to hunting.
