Highlights of Trip

From the hour and half, Tindi float plane rides, to the warm cabins. The camp had every convenience possible. Warm, comfortable cabins, amazing homemade meals. 😊 Scenery supreme. Caribou everywhere, even coming up to us within 40 yards. The guides, and owners tried their hearts out to find the muskox. I now have encountered kindred spirited hunters, and everyone involved, all Canadian which made the trip the most memorable in my life time.

Problems/Concerns with Trip/Outfitter

I was having a little problem focusing the scopes, but my eye sight isn't what it used to be.
