Great logistics, camp, food and guide(s). Plenty of opportunities and ultimately a successful hunt with a good size moose.

Problems/Concerns with Trip/Outfitter

No issues at all with Outfitter or staff. Air Canada was 2-days late with my gear, 3-days late with my rifles. They kept being left in Toronto

Yes

Additional Comments?

I talked with other hunters coming in from Arluk camps as well as from other outfitters. Everyone I talked to coming from Arluk has nothing but praise. Those coming from other camps were not as happy or satisfied.
