### Highlights of Trip

A cold front had come in at the time of my arrival triggering a second rut with the stags resulting in a lot of roaring and fighting. It was definitely a sight to be heard and seen.

**Problems/Concerns with Trip/Outfitter**

The only problem with the guide was lack of communication due limited English vocabulary, but definitely knew his way around the woods

**Would you recommend this adventure to a friend?**

Yes

**Additional Comments?**

The lodge owner really knows how to make a guest feel welcomed.
